The United Kingdom Darts Association aims to ensure that all people, irrespective of their age, disability, gender identity, marriage or civil partnership status, maternity, pregnancy or breastfeeding status, race (including ethnic origin, nationality and colour), religion or beliefs; or sex, social status or sexual orientation, have a genuine and equal opportunity to participate in darts at all levels and in all roles and that they are treated fairly, equally and with respect.

The aim of this Policy is to ensure that trans people are given every reasonable opportunity to play darts to the highest possible level.
